## Website Design Services

Does your business need a website? Maybe you already have one but you'd like something more professional looking that you can update yourself. Or, maybe you want to publish a personal site or a blog but need some help with it. Whatever your needs are, Linden Web Design can help you. We will work closely with you to design a professional looking website with the functionality you require. Contact us for a free estimate!

### Green Servers!

All websites hosted at Linden Web Design are on servers that are 100% powered and cooled by wind generated electricity. All electricity used for our servers comes from certified Renewable Energy Credits (RECs).

### Domain Names

Linden Web Design offers domain name purchasing and transfers with domains starting at \$15. Go to [www.LindenWebDesign.com](http://www.LindenWebDesign.com) to order yours today!

## Website Hosting

Linden Web Design offers web hosting packages designed to be compatible with your Linden Web Designed website. With our hosting packages you will get the same personal service as you do with our design services.

All hosting packages run on CentOS Linux, which is identical to Red Hat Enterprise Linux and include:

- e-Mail
- C-Panel
- MySQL
- CGI
- FastCGI
- PHP 5
- Perl
- Python
- Ruby On Rails
- SSH
- SSI
- Cron
- Front Page
- Curl
- GD 2
- Image Magick
- Fantastico
- phpMyAdmin
- Web Based File Manager
- Website Statistics
- Raw Log Access

and much more.

You do NOT need to pay us to design your website in order to host your site with us. We offer site building tools with every account as well as many popular applications like Wordpress, Joomla! and Zen Cart.

## Pricing

### Website Design Services

All websites are different and each one has a different cost. Please contact Linden Web Design at [www.LindenWebDesign.com](http://www.LindenWebDesign.com) or 651-400-0593 for a free estimate for your website. We will discuss your needs with you and quote your website design project for free. You are under no obligation to purchase anything.

### Website Hosting

<b>Economy Hosting Plan</b> The perfect plan for sites with low to average traffic. Great for blogs and small businesses.	<ul style="list-style-type: none"><li>• 1GB Disc Space</li><li>• 2GB bandwidth</li><li>• 5 FTP Accounts</li><li>• 20 e-Mail Accounts</li><li>• 2 MySQL Databases</li><li>• 2 Sub-Domains</li><li>• <b>\$9.95/Month</b></li></ul>
<b>Tier I Hosting Plan</b> Larger hosting plan with additional e-mail accounts. Good for sites with heavier traffic.	<ul style="list-style-type: none"><li>• 3GB Disc Space</li><li>• 6GB Bandwidth</li><li>• Unlimited FTP Accounts</li><li>• 100 e-Mail Accounts</li><li>• Unlimited MySQL Databases</li><li>• Unlimited Sub-Domains</li><li>• <b>\$14.95/Month</b></li></ul>
